Objectives

Motivated Computer and Communication Engineering student at IIUC with a passion for software engineering and proven prowess in competitive programming. Proficient in coding languages, algorithms, and project management, poised to drive innovation and deliver exceptional results in software engineering roles.

Skills

Frontend	HTML, CSS, Bootstrap, JavaScript
Backend	Django, SQL, Rest API
Database	My SQL, Postgre SQL
Problem Solving	Codechef, HackerRank, Leetcode, Codeforces
Programming Languages	C, C++, Python, Java
Tools	MATLAB, VS code, Git
Others	Data Structure and Algorithm, OOP

Projects

I. **FlavorFusion Delights,** Food_shop   **Livelink** | **GitHub**
   Features:
   - Developed a secure registration and login system with email verification for account activation.
   - Implemented an interactive menu with image display, category filtering, and a streamlined cart system for effortless ordering.
   - Established a comprehensive order history feature with user ratings and reviews, enhancing user satisfaction and facilitating continuous improvement.

   Technologies: Django (MVT) Model-View-Templates, Bootstrap

II. **CareAncestry,** Hospital Management   **Livelink** | GitHub : **Frontend** | **Backend**
   Features:
   - User-friendly registration and authentication system with email verification, ensuring secure access to patient accounts.
   - Efficient appointment scheduling with the ability for patients to leave reviews for doctors, facilitating feedback and improving patient experience.
   - Comprehensive doctor profile pages allowing doctors to access and manage patient records easily, enhancing doctor-patient communication and care coordination.

   Technologies: Django Rest Framework(DRF), Bootstrap

Education

B.Sc. in Computer and Communication Engineering	Jan 2022 - Present
International Islamic University Chittagong	CGPA of 3.72(5th semester)

Extra-Curricular Activities

Finance Convenor, CCE Club Female Chapter	Jan 2023 – Sep 2023 | Dept. of CCE, IIUC
University Ambassador, ICT Olympiad Bangladesh	6 Aug 2022 - Present
Team Leader, Inter semester Programming Contest	Dept. of CCE IIUC
Program Executive	July 2023 – Present
Photographer	July 2021 - Present

Languages

Bangla (Native) | English (Comfortable) | Hindi (Comfortable)
